

## FAAStTeam CFI Workshop #8

This is CFI Workshop module #8 in the series of eight modules. In this module, Pilot Deviations including Runway Incursions will be discussed.

**Directions:** 2nd floor conference room - go 1/2 flight of stairs past the restaurant, conference room on right.

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
